Number	Model	Product Picture	Package Picture	Parameters	Packing list	MOQ	Unit Price
1	H456			Product Name : Split Solar Street Light Product function: Light Control + Remote Control Lamp Body Size: Aluminum Lamp Body Solar panels: 6V 30W Number of LED beads: 456PCS 5730 Battery: 3.2v/25000mAh Waterproof grade: IP65	1pc in a carton	1pc	
2	H805			Product Name : Split Solar Street Light Product function: Light Control + Remote Control Lamp Body Size: Aluminum Lamp Body Solar panels: 6V 30W Number of LED beads: 805PCS 5730 Battery: 3.2v/25000mAh Waterproof grade: IP65	1pc in a carton	1pc	
3	M-200 200W			Product Name : Solar Street Light Product function: Light Control + Time Control + Remote Control With Power Display Lamp Body Size: 480x225x78mm / Aluminum Lamp Body Solar panels: 350x520x17mm / 5V 35W Polycrystalline Number of LED beads: SMD 216PCS 5730 Battery: Lithium iron phosphate 32650 / 3.2v 27500mAh Waterproof grade: IP65 Charging duration: 5 hours charging time: more than 12 hours of continuous lighting Illumination Range : 100m ²	Lamp + Solar Panel Carton Packing Info Dimensions: 540x400x390mm Quantity : 4pcs G.W : 23 KGS Pole Packing Info Dimensions: 530x360x5mm Quantity : 4pcs G.W : 4 KGS		
4	M-300 300W			Product Name : Solar Street Light Product function: Light Control + Time Control + Remote Control With Power Display Lamp Body Size: 480x225x78mm / Aluminum Lamp Body Solar panels: 350x520x17mm / 5V 40W Polycrystalline Number of LED beads: SMD 288PCS 5730 Battery: Lithium iron phosphate 32650 / 3.2v 33000mAh Waterproof grade: IP65 Charging duration: 5 hours charging time: more than 12 hours of continuous lighting Illumination Range : 150m ²	Lamp + Solar Panel Carton Packing Info Dimensions: 650x400x380mm Quantity : 4pcs G.W : 26 KGS Pole Packing Info Dimensions: 530x360x5mm Quantity : 4pcs G.W : 4 KGS		
5	M-400 400W			Product Name : Solar Street Light Product function: Light Control + Time Control + Remote Control With Power Display Lamp Body Size: 480x225x78mm / Aluminum Lamp Body Solar panels: 440x660x25mm / 5V 50W Polycrystalline Number of LED beads: SMD 360PCS 5730 Battery: Lithium iron phosphate 32650 / 3.2v 44000mAh Waterproof grade: IP65 Charging duration: 5 hours charging time: more than 12 hours of continuous lighting Illumination Range : 200m ²	Lamp + Solar Panel Carton Packing Info Dimensions: 680x350x510mm Quantity : 4pcs G.W : 29 KGS Pole Packing Info Dimensions: 530x360x5mm Quantity : 4pcs G.W : 4 KGS
